Abstract due July 21, 2016

FRONTIERS OF IMMUNOLOGY IN HEALTH & DISEASE

AWAJI · JAPAN · OCTOBER 3-6, 2016

AMPLE TRAVEL AWARDS WILL BE PROVIDED

This is the first very CSHA meeting in Japan, with the generous support from Sanofi and to encourage more interaction between students and speakers, CSHA has decided to provide substantial number of "Sanofi Travel Award" to junior participants. Students from Japan will be eligible for awards of US$100; students from other Asian countries are entitled to be awarded of US$150; students from outside of Asia-Pacific region could receive up to US$200 travel support. Please note that this policy will be executed as "first come, first serve" basis until funds are exhausted. An abstract is required when apply for the award. Applicants should indicate their interest by sending an e-mail to CSHA.

ORGANIZERS

Xuetao Cao
Chinese Academy of Medical Sciences, CHINA

Tadatsugu Taniguchi
The University of Tokyo, JAPAN

Richard Flavell
HHMI / Yale University, USA

MAJOR TOPICS

- Innate immunity
- Development and maintenance of the immune system
- Regulation of T/B cell responses
- Inflammation and diseases
- Microbiome and immunity
- Mucosal immunity
- Metabolism and immunity
- Cancer immunotherapy: recent progress

INVITED SPEAKERS

Xuetao Cao, Chinese Academy of Medical Sciences, CHINA
Chen Dong, Tsinghua University, CHINA
Sidonia Fagarasan, RIKEN Yokohama Institute, JAPAN
Richard Flavell, HHMI / Yale University, USA
Florent Ginhoux, Singapore Immunology Network, A*STAR, SINGAPORE
Kenya Handa, Keio University / RIKEN Center for Integrative Medical Sciences, JAPAN
Akiko Iwasaki, Yale University, USA
Shigeyo Koyasu, RIKEN Center for Integrative Medical Sciences, JAPAN
Atsushi Kumanogoh, Osaka University, JAPAN
Tak Mak, Ontario Cancer Institute, CANADA
Satyajit Rath, National Institute of Immunology, INDIA
Michel Sadelain, Memorial Sloan Kettering Cancer Center, USA
Shimon Sakaguchi, Osaka University, JAPAN
Charles Surh, IBNA Academy of Immunology, Microbiology, SOUTH KOREA
Tadatsugu Taniguchi, The University of Tokyo, JAPAN
Kazuhiro Yamamoto, The University of Tokyo, JAPAN

INTRODUCTORY SPEECH

Makoto Suematsu, The Japan Agency for Medical Research and Development, JAPAN

KEYNOTE SPEAKERS

Frederick Alt, HHMI / Harvard Medical School, USA
Federica Sallusto, Institute for Research in Biomedicine, SWITZERLAND

POSTER AWARD

We are eager to support as many junior scientists as possible. Certain number of presentations by graduate students or postdocs in this conference will be evaluated for fellowship awards (USD 100-500).
