FELLOWSHIPS
We are eager to have as many young people as possible attend since they are likely to benefit most from this meeting. A number of presentations by graduate students and postdocs in this conference will be selected for major fellowship awards.

MAJOR TOPICS
✓ Gene Regulation
✓ Genome Engineering
✓ Single-cell Genomics
✓ Synthetic Biology
✓ Functional Genomics
✓ Higher Order Chromatin Organization
✓ High Throughput Biology
✓ Transcriptome/Epigenome Analysis
✓ Big Data & Computational Biology

Cold Spring Harbor Asia (CSHA) is the Asia-Pacific subsidiary of New York based Cold Spring Harbor Laboratory (CSHL). Inaugurated in 2010, CSHA is dedicated to promoting international scientific exchange in the Asia-Pacific region by offering cutting-edge scientific conferences and advanced training courses.
