We are pleased to announce the Cold Spring Harbor Asia conference on Liver and Metabolic, Disease and Cancer which will be held at the Suzhou Dushu Lake Conference Center in Suzhou, China, located approximately 60 miles west of Shanghai. The conference will begin at 7:00pm on the evening of Monday May 21, and will conclude after lunch on Friday, May 25, 2012. It will include a combination of oral sessions and poster sessions, covering the latest findings across many topics in liver metabolism, diseases and cancer biology by bringing together a group of scientific leaders.

Major Topics:

- Liver metabolism in health and diseases
- Liver stem cells and liver cancer stem cells
- Liver development and organogenesis
- Bile acid cycling and hepatic lipid metabolism
- Liver injury and regeneration
- Liver fibrosis and cirrhosis
- Liver, inflammation and cancer
- Liver cancer, clinic and translational medicine

Registration available until May 21, 2012

The on-line registration will be available until the meeting starts. But early registration will help to save cost. Rates vary for corporate/industry, academic (PhD, MD, staff scientists) and student (up to PhD) attendees. Endowed student package costs as low as USD250/CNY1530 before March 9th, 2012.

Abstract Deadline Extended to March 30th, 2012

We encourage abstracts to contain new and unpublished materials. Selection results for short talks (10-20) and poster presentations will be made by the organizers on the basis of scientific merit and relevance.

Fellowships of up to \$500 (USD) are available to participants who have an abstract accepted for poster presentation.
